If you received a Form 1098-E, it is not necessary to enter this data into the 1099/1098 and/or W-2 sections of TAP.

You will need to file Montana Form 2 or Form 2M to be able to deduct these amounts. These interest amounts are reported on Federal Form 1040, line 33 and Federal Form 1040A, line 18.

In order to receive this deduction, the amount of student loan interest must be reported on Montana Form 2 line 34 or Montana Form 2M line 18.

The Montana Department of Revenue receives copies of these records from the Internal Revenue Service so it is not necessary to remit a copy to the department. Please keep a copy of this document for your records.
